WINTER 2026 ISSUE

Message from the President

**President Linda Christopher, MMC, NCCMC,
Village of Whispering Pines**

Greetings everyone and welcome to 2026! I pray you all enjoyed happy and healthy holidays.

Wow, did 2025 fly by or what? It seems hard to believe that I have been in my role as President for four months. I am so grateful for the opportunity to serve in this position. Being part of our wonderful Association is such a blessing both professionally and personally for me.

Thank you to all who attended the **November Clerk Academies** sponsored by the **UNC School of Government**. It was an excellent time of learning and fellowship. It was great to see so many first-time attendees and new clerks.

I hope you are all as excited as I am to attend the **IIMC Region III Conference in February**. This will be an opportunity to come together in Wrightsville Beach for educational sessions and fellowship time with clerks from across North Carolina, South Carolina, Georgia, Florida and Alabama.

As we begin a new year, many of us with new Board / Council members, remember you are not alone. We are here to support each other and lend a helping hand when needed. Together we shine brighter!

Linda M. Christopher
NCAMC President

Region 1: Clerks in Dare County met to celebrate another successful year!

Celebrating the Retirement of Elaine Fason Hunt, City Clerk of Clinton

The North Carolina Association of Municipal Clerks proudly celebrates the retirement of **Elaine Fason Hunt**, who concluded an exceptional 34-year career with the City of Clinton in November 2025.

Elaine began her service with the City in 1991 as an office assistant and steadily advanced through roles of increasing responsibility, ultimately being appointed City Clerk in 2008. Throughout her tenure, she was known for her steady leadership, professionalism, and unwavering commitment to public service.

A distinguished member of NCAMC, Elaine earned the North Carolina Certified Municipal Clerk (NCCMC) designation, recognizing extensive training, experience, and contributions to the profession. Her dedication to the field extended statewide as well; she served as NCAMC President during the 2017–2018 term, helping guide the organization's educational mission and strengthen support for clerks across North Carolina.

Beyond her professional accomplishments, Elaine is celebrated locally for her warmth, dependability, and deep institutional knowledge. In December 2025, the Clinton City Council formally recognized her outstanding service, and a community retirement reception in November allowed colleagues, friends, and residents to express their appreciation.

Elaine leaves behind a legacy defined by integrity, mentorship, and a genuine passion for municipal service. NCAMC extends its heartfelt congratulations and gratitude for her many years of dedication, and we wish her the very best in retirement.

Retired
Congrats!*

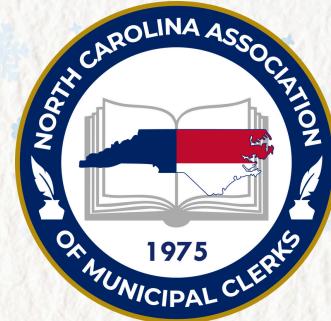

7th Annual Clerks Secret Santa Program

The 7th Annual Clerks Secret Santa Program kicked off in November, and gifts were exchanged in December. The program is a great opportunity to “meet” other clerks while having a little mischievous fun! Over the years, the number of participants has ranged from 37 to 63. If you missed out on this year’s joyous event, there’s always next year!

NCAMC Now Accepting Applications for 2026–2027 Directors and Officers

The North Carolina Association of Municipal Clerks (NCAMC) is now accepting applications for members interested in serving in leadership roles for the 2026–2027 term. Serving as a District Director or Officer is a meaningful opportunity to contribute to the advancement of the profession, support fellow clerks, and help shape the future direction of the Association.

NCAMC is seeking qualified and engaged members for the following positions:

- **District Directors** (Odd-numbered districts only.)
- **Second Vice President** (Applicants must have served two (2) years as a District Director.)
- **Recording Secretary**

Leadership service offers members the chance to strengthen professional networks, develop leadership skills, and represent clerks across North Carolina at a higher level. While professional certifications such as CMC, NCCMC, or MMC are desirable, they are not required for all positions.

Members are encouraged to reflect on their experience, committee involvement, and unique skills when considering this opportunity. NCAMC thrives because of dedicated members who are willing to lead, collaborate, and serve.

The application deadline is April 15, 2026. Completed applications should be submitted to:
Sabrena Reinhardt, MMC - NCAMC Immediate Past President
Email: sreinhardt@townofleland.com | Phone: 910-332-4297

If you are passionate about the municipal clerk profession and ready to make a broader impact, consider applying for an NCAMC leadership position. Your voice and service matter.

We Share Our Services

We Share Our Services is a chance for experienced clerks and new clerks to lift each other up in a mentoring relationship that allows new clerks to benefit from the experience of those with years of service, and experienced clerks to benefit from the energy of those new to the profession. Our theme this year is **We Shine Brighter Together** and there is no better way to live into this theme than by sharing your expertise. Mentors and mentees will be matched based on location and municipality size. For more information contact **Jackie Nicholson, WSOS Committee Chair** at Jnicholson@wallacenc.gov or 910-285-4136.

Thomasville's "Warm Hearts, Warm Hands"

A simple idea from Thomasville City Clerk **Wendy Martin** is making a meaningful difference this winter. Through an initiative called "Warm Hearts, Warm Hands," bus shelters across the city are now stocked with donated coats, gloves, scarves, socks, and blankets—freely available to anyone in need. The program emphasizes dignity and accessibility, pairing donation hooks with signage and QR codes that connect individuals to additional community resources. In recognition of her leadership and compassion, Martin was recently honored by the City Manager at a City Council meeting. The initiative highlights how clerks can play a powerful role in fostering community care through practical, thoughtful action.
